To
The Principal,

Respected Sir,

We, the MSM Kerala State Committee is happy to inform you that, we have decided to conduct the 8th model entrance examination 'tips' on 31st March 2017, Friday at selected centers in India and abroad.

Our aim is to help the Medical/Engineering aspirants to loom highly competitive professional exams without fear and stress, foster their self-confidence and to know the model and method of those exams. 'tips' certify the experience of the real competitive examinations and the rank holders will be awarded in the special career awareness program.

We humbly request you to edge-on your students to appear in this model exam.

Yours Sincerely,

Er. Muhsin CA
Examination Controller
